SEGMENT OVERVIEW

FOR ADRENALINE AT EVERY TURN

The Firestone Firehawk™ INDY 500 V2 tire is Firestone’s ultra-high performance summer tire built to accelerate the excitement of your sports or muscle car. Designed to go the distance, it combines long-lasting treadwear with dynamic grip and responsive steering that is synonymous with Firestone’s iconic motorsport legacy.

Discover more about the Firehawk INDY 500 V2 tire on our product hub.

WHERE POWER MEETS PRECISION CONTROL

The right performance tire can accelerate the connection between yourself, your vehicle and the road ahead. The Firehawk INDY 500 V2 tire is built for enthusiasts who dream of the excitement in moments that can only be found behind the wheel. Its combination of features gives you the green light to take the open road or circuit for a spin.

RESPONSIVE STEERING

Achieves improved performance with a list of features, including a connecting block tread design for cornering stability, an A-shape groove to help deliver reliable handling and a new top compound to help enhance grip and responsiveness. Plus, the wide inside rib was built for rapid responsiveness that drivers can feel, strengthening the connection between them and the road.

LONG-LASTING WEAR

With a multi-round tread block and refined tread pattern, the Firestone Firehawk INDY 500 V2 tire is built to optimize contact pressure and enhance wear performance and fuel economy, helping to deliver a long tire life of exhilarating driving experiences.

INSPIRED BY FIRESTONE'S RACING HERITAGE

Designed with Firestone's racing spirit in mind, the Firehawk INDY 500 V2 tire features a sporty, dynamic tread pattern design to complement the style of your performance vehicle.

WET PERFORMANCE

The Firehawk INDY 500 V2 tire features an optimized contact patch designed for uniform pressure distribution and circumferential grooves that help evacuate water from the tread pattern. Plus, the Firehawk INDY 500 V2 tire is designed with an advanced rain pulse groove to help support wet performance.

FOR PUSHING TO THE NEXT EVOLUTION IN POWERFUL PERFORMANCE

The Firestone Firehawk INDY 500 V2 tire is here to take the excitement synonymous with the Firehawk name to the next level. We've made several enhancements to the first Firehawk INDY 500 and introduced a new tread pattern powered by ENLITEN™ technology¹ so your dreams of driving faster and further are turned into reality.

FIREHAWK™ INDY 500®

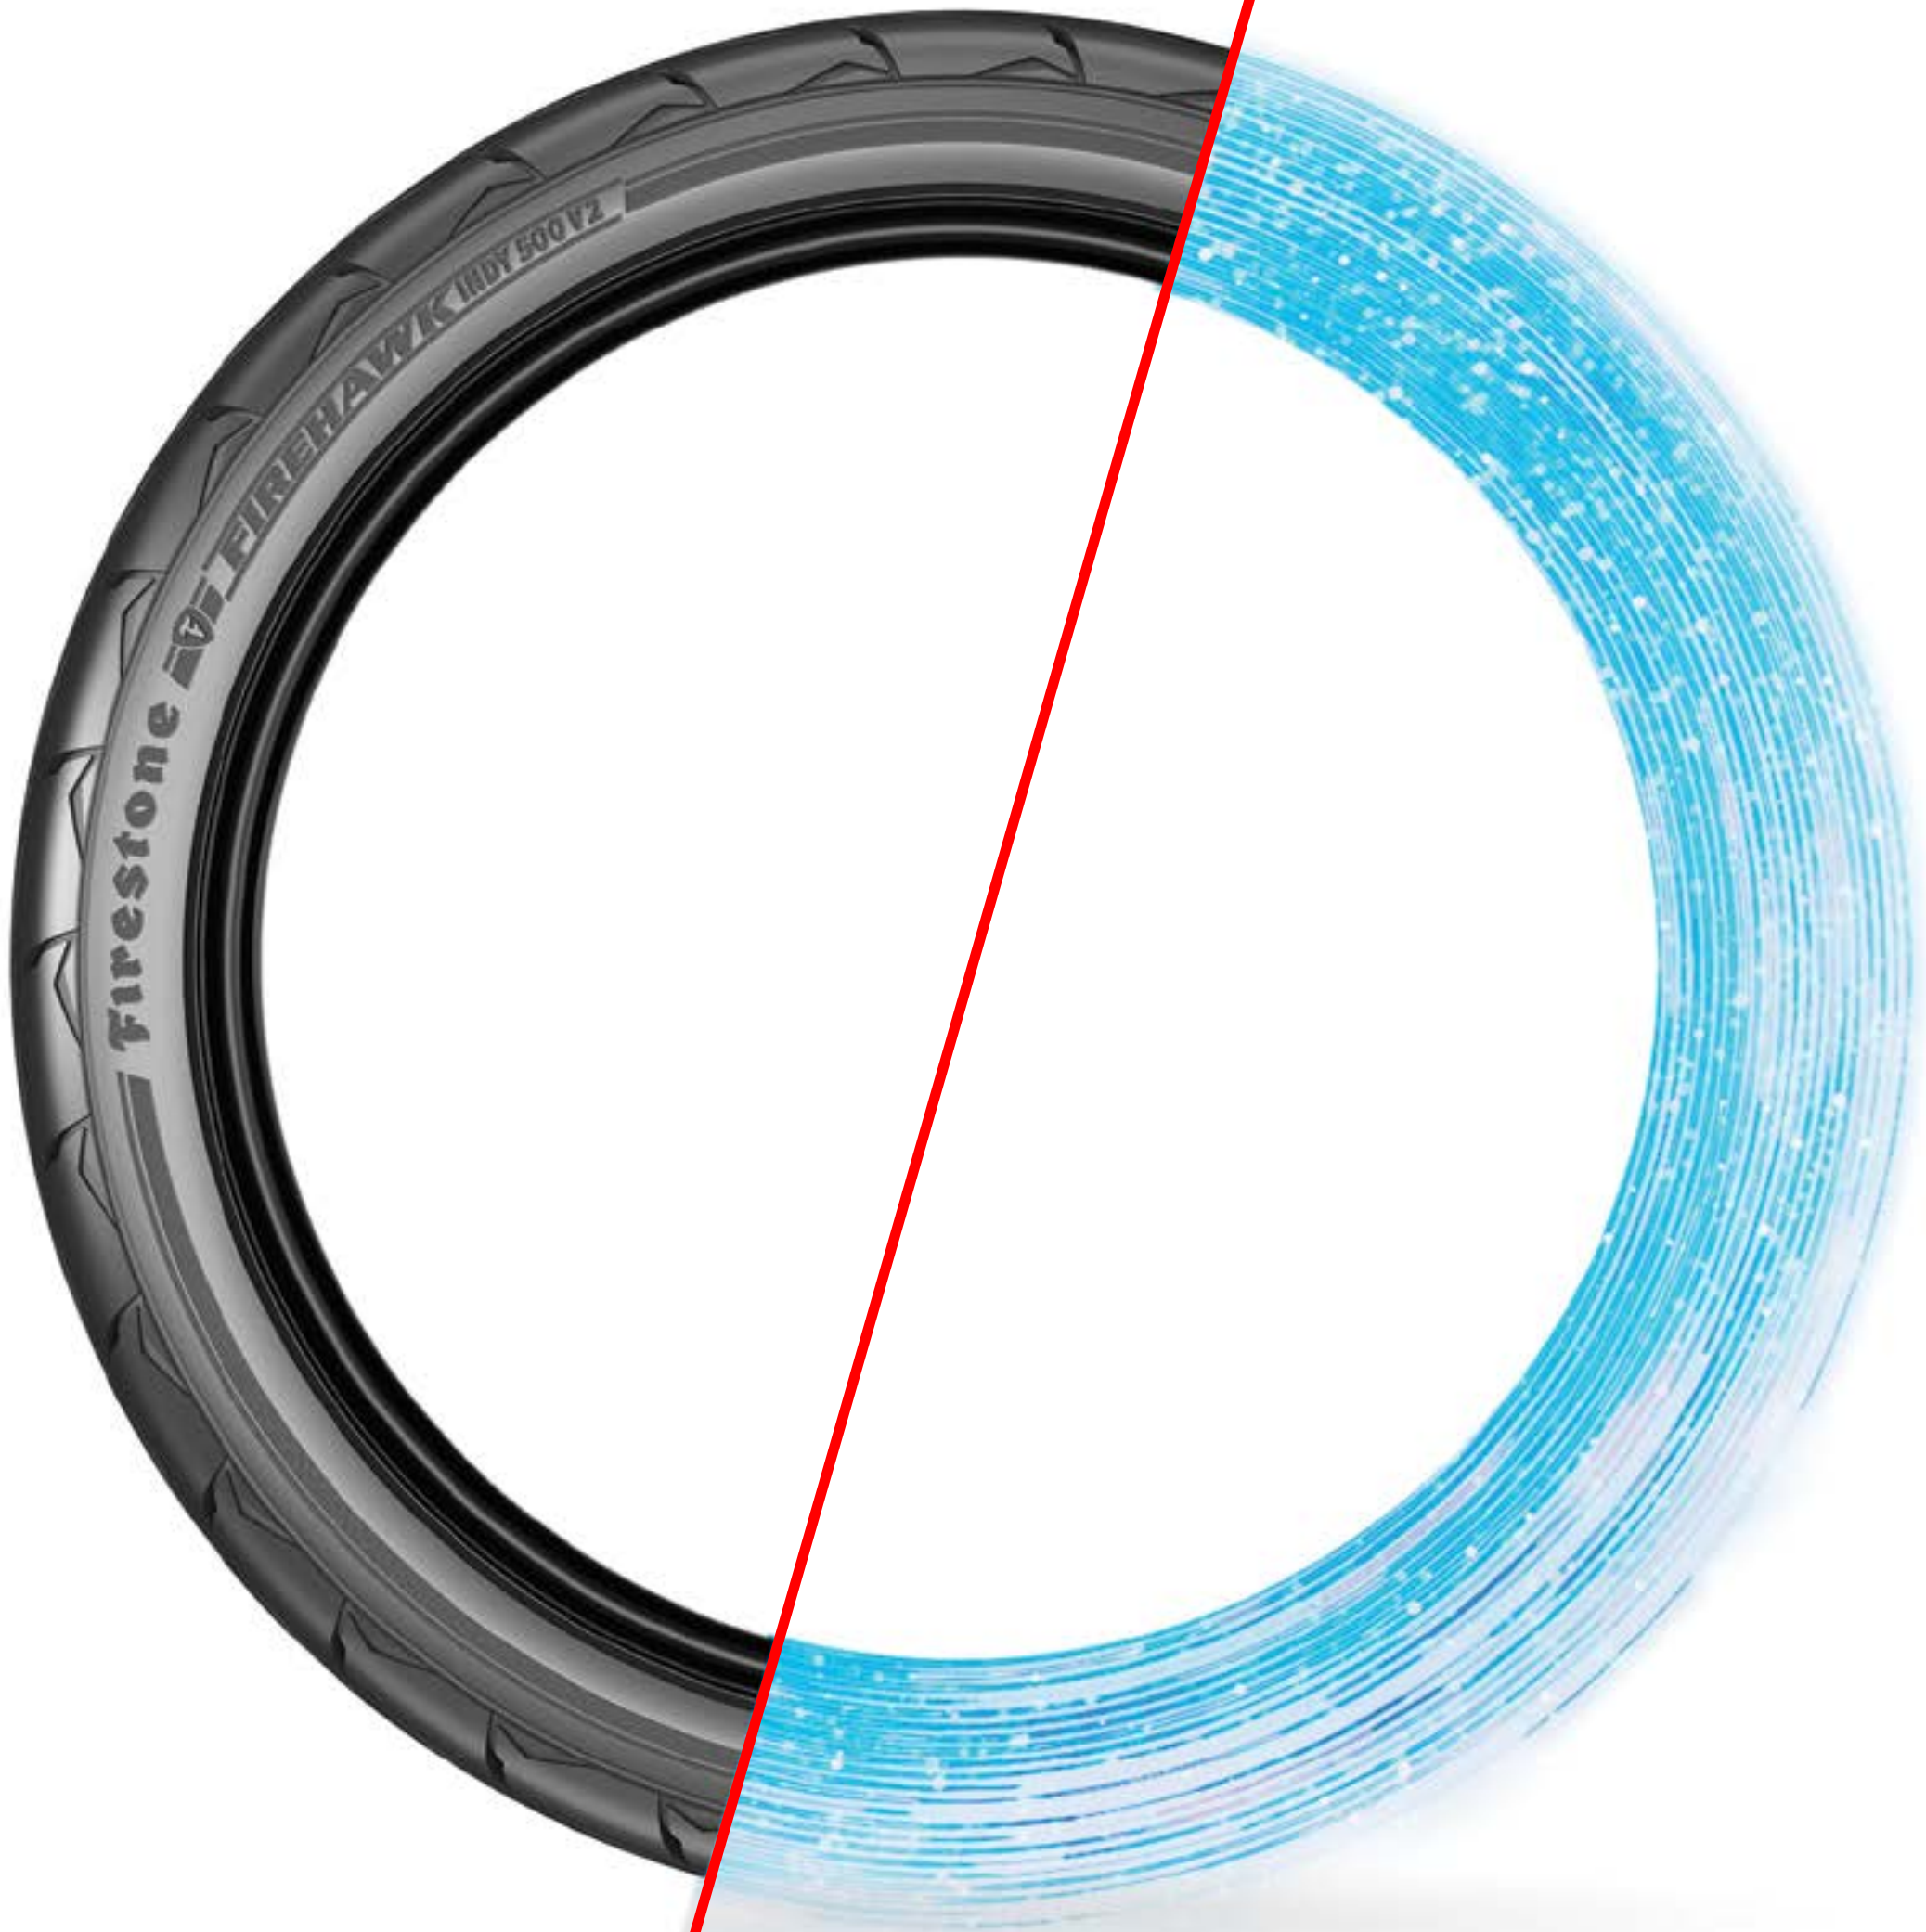

FIREHAWK™ INDY 500 V2®

Uncompromising performance with a focus towards sustainability.

ENLITENTM is a next-generation technology, revolutionizing how Bridgestone engineers tires. Driven by a deep understanding of market and customer needs, ENLITEN is designed to deliver customized and uncompromised tire performance while promoting a focus on enhanced sustainability.¹

¹ The specific ENLITEN technology attributes vary by tire product. Results may vary depending upon proper tire and vehicle maintenance, road conditions, and driving habits.

Focus areas of
ENLITEN Technology:

Customization
Delivering on the criteria that matter most to the customer

Performance
Offering outstanding performance in the focus area of each product

Sustainability
Enabling a lower environmental impact through CO₂ emissions reduction, resource efficiency and material circularity

FIRESTONE FIREHAWK INDY 500 V2 TIRE

Powered by ENLITEN™ technology, featuring the following benefits:

Uncompromised Performance

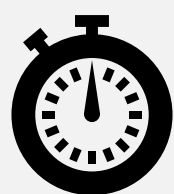

Responsive Steering

Advanced features that help strengthen on-road connectivity

Long-Lasting Wear

A refined tread pattern that helps deliver a long tire life

Race-Inspired Performance

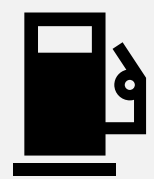

Sporty, dynamic design to complement the style of your performance vehicle

Enhanced Sustainability

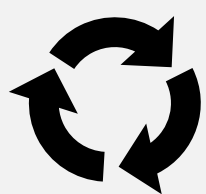

Next-Generation Tread Compound

Designed to improve wear life characteristics

Lower Rolling Resistance

Designed to support impressive fuel efficiency¹

Use of Renewable Materials

Supports an increased use of renewable materials such as soybean oil

¹ The specific ENLITEN technology attributes vary by tire product. Results may vary depending upon proper tire and vehicle maintenance, road conditions, and driving habits.

FIRESTONE FIREHAWK INDY 500 V2 TIRE

Competitive Set

Firehawk INDY 500 V2

BFG G-Force Phenom T/A

Goodyear Eagle® Asymmetric 6

General G-Max RS

Features

Responsive Steering

- Connecting block tread
- Wide inside rib
- A-shape groove
- New top compound

Long-Lasting Wear

- Multi-round tread block

Inspired By Firestone's Racing Heritage

- Sporty, dynamic tread pattern

Wet Performance

- Advanced rain pulse groove
- Circumferential grooves

Responsive Steering

- Stiff sidewalls
- Shallow shoulder block
- Offset shoulder grooves

Wet and Dry Handling

- Dual zone tread

Wet Braking

- Summer silica-infused compound

Responsive Dry Handling

- Warm weather tread compound
- Solid center rib

Wet Traction

- Flexible tread compound
- Wide circumferential grooves

Quiet Ride

- Asymmetric tread design
- Lightweight construction

Responsive Wet and Dry Handling

- Solid center rib
- SmartGrip Technology
- StabiliTread Technology
- Two-ply sidewall

Wet Braking

- Solid center rib
- Angled notches
- Deep circumferential grooves

Long-Lasting Wear

- StabiliTread Technology

PAVING THE WAY FOR MORE EXHILARATING DRIVES SINCE 1900

The Firestone Firehawk tire lineup delivers features made to make every moment behind the wheel more thrilling than the last.

***FIREHAWK*[™] AS V2**

All-Season Performance Tire

The Firehawk AS V2 tire strikes a balance between relentless performance in challenging weather and sporty, responsive handling—giving drivers the confidence to corner with precision, even in wet conditions.

Audience: For weather-conscious drivers of sports cars or performance sedans.

***FIREHAWK*[™] INDY 500 V2[®]**

Summer Ultra-High Performance Tire

Built for chasing down more exhilarating driving experiences, the Firehawk INDY 500 V2 tire unleashes the full thrill of performance driving.

Audience: For sports or muscle car drivers who demand extended, maximum performance.

FIREHAWK[™] **INDY 500 V2**[®]
